

'LOOKING 'EM OVER'

With Mike Callas Jr.

Danny Still Out

Danny McDévit, hot and cold and hot-tempered Dodger left-hander, has told LA Veep Bavasi that he is not satisfied with the contract the Dodgers drew-up for him. As of today the fiery Scot-Irishman refuses to accept the slight increase in pay offered to him.

McDevitt's plea for more dough is similar to that of Fred Kipp, Bill Harris, Bobby Aspromonte and Bob Lillis—all current Dodger hold-outs not leaving for Vero Beach with all the other contented Champions today.

Luckily for the Los Angeles club the hold-outs, except for little Danny, will not be missed in the event they don't sign on the dotted line before the season starts. The top and not-so-good players are already in the fold with pitchers and catchers slated to work-out Monday. Outfielders and infielders will begin spring training a week from tomorrow.

Williams in

Latest to sign was big, happy go-lucky righthander Stan Williams. Stan played winter ball down Dominican Republic way. According to the final statistics Williams managed to garner fifteen victories and lead his league in this department.

As another hot and cold twirler for the Dodgers last years Stan's experience and work in the Central American winter league firmly establishes him as a pitcher with good promise.

If you recall Stan had trouble with his control in '59. Fans and scribes alike were heard to mumble that Alston had lost it after the Dodger skipper had permitted Williams to stay in much longer even after he had managed to load the bases with gratis walks.

Bavasi and Alston are high on Stan—calling him the right-hander with the most potential on the squad. They reason that his age, 23, and his ability to blaze strikes in are his chief assets. His control is guaranteed to be much better by those who watched him pitch during the winter months.

Essegian in Fold

Other recent signees are Larry Sherry's brother Norm and Chuck Essegian. The latter's contract calls for some extra change while Norm is scheduled to report to Spokane after training.

Essegian is the most traveled man in baseball. From 1953 through 1958 Chuck has been with a total of fourteen clubs. Last year before coming to the Dodgers Essegian was with three other teams—starting the season with the Cardinals then moving to Rochester and Spokane.

As a Dodger Essegian got into some 12 ball games batting .304. He won acclaim during the Series by coming through with two pinch-hit homers. An all-time Series record.

Lakers, Hawks Collide

Local basketball fans get another look at major league teams when the St. Louis Hawks and Minneapolis Lakers clash in a pair of NBA games at the Sports Arena in Los Angeles today and tomorrow night.

The Hawks are way ahead of

the Western Division chase in the NBA. They boast some of the sport's greatest names—fellows like Bob Pettit, Clyde Lovellette, Cliff Hagan and Slater Martin.

Minneapolis' big gun, of course, is the fabulous Elgin Baylor. The 6-6 star was an All-Pro star in his rookie season last year and is well on his way toward repeating.

Baylor out-duedled Wilt Chamberlain in their recent meeting here, scoring 36 points for high

point laurels. He also is a great rebounder, feeder and court tactician. St. Louis and Minneapolis are bitter rivals, the Hawks still smarting over the Lakers upset victory over them in the Western Division playoffs last season.

General Meet on for West PONY League Thursday

The West Torrance P-O-N-Y League will hold a general meeting on Thursday Feb. 25, 1960 in the auditorium of Sepulveda School at 7:30 p.m. At this meeting the managers of the 8 teams will be notified as to what team they will be playing on. There will be no notification prior to the general meeting so it is to the interest of each parent and boy to attend.

A "Get-Acquainted" Dance will be held on Saturday, Feb. 27 at 9 p.m. at the Eagles Hall, Catalina and Garnet Streets in Redondo Beach. Tickets will be available at the general meeting.

City Asks Beach Fund of County

The Los Angeles City Recreation and Park Commission has forwarded to the City Council a resolution requesting the County Board of Supervisors to allocate to the Recreation and Park Department the sum of \$75,000 to help defray costs of operating beaches under the City's jurisdiction during the fiscal year 1960-61.

It is estimated that non-residents of the city constitute 54.3% of attendance at Cabrillo Beach, San Pedro; Isadora B. Dockweiler Beach State Park, Playa Del Rey; Venice Beach; and Will Rogers Beach State Park.
